## Implementation

We have implemented a header which contains logo and some buttons.

We have implemented user login/logout functionality as a user can store its data.

We have also implemented a search functionality.

We have also added a feature for top Pakistani Ranking Universities and we have add animation in ranking universities which attracts user.

We have also implemented Contact Us form for Complain, Enquiries, Suggestions.

We have also implemented footer which contains our social media links as user can easily track our social media activities

*Thank  
you!*
